

The Indian Institute of Science Education and Research Kolkata (IISER Kolkata) invites applications from exceptionally bright and motivated individuals with an established record of high-quality research, and a strong commitment to teaching, for faculty positions in the **Department of Biological Sciences**.

Priority areas for faculty recruitment are: Structural Biology, Evolutionary Biology, MicrobialGenetics/Genetics, Bioinformatics, Neurobiology, Developmental Biology and Animal Physiology.

Note: Notwithstanding anything mentioned above, truly outstanding applications in all relevant areas of Biological Sciences may be considered.
