

IISER-Kolkata Postdoctoral Fellowship Programme: Department of Computational and Data Sciences

Screening procedure:

Screening of applications was done by applying the following criteria:

1. Age limit: As specified in the advertisement
2. Applicants should not have a PhD degree from IISER-K
3. Educational Criteria:
 - a. Marks obtained in BSc/BE/BTech : 60% (CGPA/DGPA/GPA: 6.0) or higher
 - b. Marks obtained in MSc/MTech: 65% (CGPA/DGPA/GPA: 6.5) or higher
 - c. For applicants belonging to the reserved category, the cut-off mark was set lower by 5% (or by 0.5 CGPA/DGPA/GPA)
 - d. For female applicants, the cut-off mark was set lower by 2% (or 0.2 CGPA/DGPA/GPA)
4. The CV of all applicants satisfying the above criteria were reviewed by the faculty members of the department. Importance was given to an applicant's area of expertise, quality and number of publications, match with the area of expertise with the CDS faculty members and willingness to adapt to the area of expertise of the CDS faculty members (in case of inexact match with area of expertise of the CDS faculty members).
